Dear Honorable Judge Caldwell,

I am respectfully asking for your assistance in this matter.
I would like you to appoint me an attorney to file for my two-level
reduction under the crack cocaine Guideline amendment.

Sir, I can't afford to pay a lawyer to assist me in this
legal proceeding, so I am taking the step of asking you for assistance.

Thank you for taking time out to read my correspondence.
I trust you will be able to help me get an attorney.

Sincerely,

Livingston Bernard
